## **NOTICE**

### **Collection of payments via digital / electronic means**

In order to encourage the utilization of digital and electronic mediums of payment and to minimize the reliance on cash and Cheques in the economy, the Ministry of Finance has instructed all Government offices to make use of digital and electronic methods for payment collection.

This is, therefore, to inform that effective from 1<sup>st</sup> of October 2020, we will be accepting payments only via the following means:

- Customs Portal
- Customs Pay
- MRTGS

Receipt of payment processed online can be viewed on Customs Portal. The MRTGS Remittance Request form (MCS-158) can be downloaded from Customs Website.

With this, we will be discontinuing the acceptance of Account Transfer as a means of collecting payments, which was introduced temporarily to facilitate payments during the lockdown.
